

## **Spring Newsletter 2024**

Hello! We have a busy few weeks ahead of us!

### **This term our theme is – On the Farm!**

We will be looking at all the different animals on the farm, including their babies and the different names. We will also be looking at tractors and other farm machinery!

There are a number of other things we will be celebrating such as World Book Day,

British Science Week, Red Nose Day and Global recycling Day! In Phonics we are focusing on Rhythm and Rhyme. In Maths we are looking at patterns, predicting what comes next as well as sorting and comparing objects by similarities and differences.
